

IT TAKES A VILLAGE, IT TAKES A QMUNITY

Recognition Program

In honouring the incredible contributions of leaders within our communities for this project, we welcome the opportunity to recognize your support by way of named dedications and recognition within the space.

- As part of our reconciliation work, spaces will hold an Indigenous name, next to which we will recognize your dedicated gift by way of a plaque.
- Named dedications can be individuals, families, companies, and foundations
- **All donations above \$5,000 are eligible to be recognized on our “It Takes a Village” donor recognition wall in our new building**
